

KS4 MORE ABLE SUGGESTED READING

Teachers tell you all the time why it's essential to read and we are going to encourage you to read as widely as possible as this will help you with exam preparation across the curriculum. It is important to continue to read the books that you like but the list below will also introduce you to books that you may never have heard of but have been recommended and enjoyed by other students. Challenge yourself to read one book every term.

The books that have been selected for this list range from classics to more modern fiction that we hope you will enjoy.
