12 May 2020

Dear Parent/carer,

I hope you and your families are safe and well

I am writing to give you a brief update following the prime ministerial broadcast on Sunday evening.

The reason my update is brief, is because we are awaiting further guidance on the roadmap for Secondary reopening.

As it stands the government have indicated that **'Secondary schools and further education colleges should also prepare to begin some face to face contact with Year 10 and 12 pupils who have key exams next year'**. Whilst it is clear that the phased return for students is starting with some primary school students, we have been given no date yet for a phased return of our Year 10 students.

Since schools were closed on 20th March, schools have only been providing childcare for Key worker children and those who are vulnerable and this will continue at Bonus Pastor.

You as parents will have many questions about what form the return to school will take and, most importantly, how schools intend to safeguard the health and safety of both children and staff. We all want to get children back into school, however, the first priority has to be the safety of everyone within the school community.

Once further national guidance is issued and we have had time to consider this, we will send out additional details on our plan for a phased reopening. I am working with the Leadership Team to develop a plan that will ensure the safety of the children, yourselves and the staff working in school and once there are further details I will send these home to all families.

For now, we will continue to drive outstanding learning for all year groups via our online platforms and will continually review and seek to share our best practice. I thank you again for your fantastic support and commitment to not only your child's learning, but to the ethos of the school.

God Bless

Yours sincerely

Jonathan Ronan, Principal
