To complete the **Bonus Pastor Charter At Home** you need to complete **at least 10 tasks** from the list.

Additionally, to gain the **Bronze, Silver or Gold** awards you will need to complete **15, 20, 25 respectively**

Some of these will also tick off and count towards your regular BP Charter

During these unusual, and strange times...yes we all have school work and lessons that we need to be doing, but also, just like in school, it's good to be doing things other than just our lessons, to broaden our mind to new things, experiences, ideas and activities, and with all of this new found time this could be a great opportunity for you to try something new...Hence the BP Charter...From Home!

Work your way through as many as you can over the coming weeks and months, and email the activities to Mr Lawrence, who will then record your achievements and awards will be presented upon our return to school. (And these are particularly good for showing your "independence" skills to colleges, 6th forms, universities and employers.

Alongside this many of these can count towards your BP Charter - and Mr Lawrence will update your Charter with these as you send him in your activities.

Across the Curriculum:

1. Visit an Art Gallery or Exhibition: Visit one of the following and write 250 words summarising what you learnt and what you found most interesting from your tour:
